Why Choose Security Cameras of Columbus?

SCC is the local leader in security camera installation. We pride ourselves in integrating high quality products and innovative technology solutions, installed by expert technicians and supported by exceptional customer service.

We're Local

Our clients are our community. Being local enables us to keep prices low and quality high.

We Specialize in Security Cameras

Years of specialization have empowered us to find the best products, develop the best methods, and cultivate cost-saving relationships.

No Monthly Fees

Our camera systems are paid for once. No recurring fees or ongoing contracts to worry about.

Easy to Use

We provide complementary in-person training to every customer for our intuitive software and app.

Advanced Replacement Warranty

When a product malfunctions, we replace it right away with a new one. No more waiting weeks (or months) for the manufacturer to repair it.

Lifetime Tech Support

With an average wait time of less than a minute, our specialists are always ready to provide over-the-phone support.

Double Waterproofing

We double waterproof every exterior camera termination to ensure durability, reliability, and longevity.

Scalable Solutions

Our satisfied customers range from single camera installs to enterprise level organizations. No matter the size, we are ready for the job.

Secure

We only use technologies that follow industry standards for complete network security.

Our Happy Customers Say it Best

"I love the multiple security camera systems we have had installed. I have worked with other vendors in the past. Security Cameras of Columbus are the best at what they do. They are very knowledgeable and provide excellent customer service at the best price."

David Klinedinst - IT Consultant
Vrable Healthcare

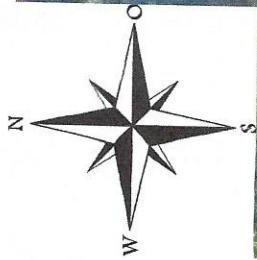

"This past evening we had two of our trucks broken into. It was after midnight and raining and yet we still captured it all. We not only have video evidence of the break in, but the clearest image of the person committing the crime you could hope for."

Robin R Reed - Regional Manager
A.R. Logistics

Security Cameras of Columbus is rated 4.9 out of 5.0 based on over 50 online reviews.

Optional Annual Preventative Maintenance Visit 

We strive to maintain a positive working relationship with every customer even after the install is complete. With our annual maintenance agreement, our expert technicians ensure the longevity and reliability of your security camera system.

DVR/NVR: Run hard drive diagnostic, update firmware, check all cable connections, confirm proper function and configuration, provide onsite training for staff upon request.

Radio or Camera: Clean lenses and domes, refocus and adjust for optimal scene, inspect and service weatherproofing, inspect for rust or other damage, update firmware, check connectivity and signal strength.

Initial here to sign-up for an annual maintenance visit: _____

Optional NVR Tamper Defense System 

A 4MP vandal resistant dome camera will be installed near the NVR to record anyone who might steal, damage, or tamper with the NVR. *This system is unique because the camera will record to the cloud and is separately powered.* If the NVR is stolen or powered down, this system will retain the previous 30 days of video in the cloud, providing you with valuable video evidence of the culprit, securely saved on the cloud.

Cost breakdown:

- One-time cost of \$365.00 for the camera, cloud adapter, and installation.
- Monthly cost of \$8.50 for 30 days of 4MP cloud recording.

Initial here to purchase the NVR Tamper Defense System: _____

Optional Cloud Video Storage 

Your NVR may malfunction, be stolen, or be destroyed. Hazards include fire and water damage, burglary, vandalism, employee tampering, or hard drive failure. With cloud storage, your video is securely uploaded to be stored offsite. If the 2MP or 4MP option is chosen, video will be recorded at that resolution, but a full-resolution snapshot is taken at the beginning of each motion event.

One cloud adapter (\$189 one time cost) per 8 cameras. Cost below is per camera, per month.				
Type of Recording	7 Days of Video	30 Days of Video	60 Days of Video	90 Days of Video
2MP During Motion	\$7.50	\$8.00	\$8.50	\$9.00
4MP During Motion	\$8.00	\$8.50	\$9.00	\$9.50
8MP During Motion	\$8.50	\$9.00	\$9.50	\$10.00

Billing conducted through a trusted 3rd party. Talk to your sales rep if you would like cloud storage added to you install.

We also install access control, card reader, & intercom solutions!
