**Subject:** Ratliff - Light Duty Status

Steve,

Can you confirm for payroll purposes if employee David Ratliff is still on light duty or released to full duty as of December 1, 2023. The paperwork I have reflects a date of 12/01/23, to return to full duty so I was just confirming. I appreciate your assistance.

Thank you,

*Robyn L. Watkins*

**Bureau of Workers' Compensation**

**Physician's Report of Work Ability (MEDCO-14)**

3 Pages split from original

**Instructions:**

- Use this form to provide detailed information about the injured worker's ability to work. Add comments to Section 4 or attach additional information as necessary. BWC uses the information to support a request for temporary, total compensation.
- The treating physician must submit this form each time they see the injured worker unless they:
  - o Have been awarded permanent and total disability.
  - o Have returned to work without restrictions within seven days of the injury.
  - o Are being treated after the treating physician has released them to their former position of employment (i.e., full duty job) held on the date of injury without restrictions.
- While you may use an equivalent physician-generated document (e.g., office notes, treatment plan) to the MEDCO-14, it must contain, at a minimum, the required data elements. If you've previously submitted equivalent data, indicate the date of the report on the form (e.g., 5/15/2021, office note).

**Note:** Physician assistants and nurse practitioners may complete this form; however, they may only certify temporary disability for the first six weeks after the date of injury. Subsequent periods of temporary disability require a co-signature by the treating physician.

- Fax form to the managed care organization if the employer is state-funded or to the employer if self-insured.
- Important: Failure to provide complete information may delay compensation payments to the injured worker.
