This custom artwork is not intended to provide an exact match for ink, vinyl, paint, or LED color. Signs are designed for an illuminated graphic and art is based off of this premise. Non-illumination during daylight hours may result in graphics of varying appearance. Brickwork and masonry are not included in the proposal with the exception of Cornerstone products. Measurements shown are approximations; final product dimensions may vary. LED images shown are simulated to replicate optimum viewing distance. Original design, do not duplicate.
